IC2® named finalist for Best of Year 2017

Mississauga, ON – November 20, 2017

On Thursday, Nightingale's IC2® has been selected as a contract/task seating [finalist](#) in Interior Design's 2017 Best of Year (BoY) awards. The BoY is the design industry's premiere design awards program, celebrating the most significant work of the year and recognizing designers, architects and manufacturers worldwide.

It's an exciting time for Nightingale's innovative design [team](#)—they're honored to be selected out of thousands of nominees to potentially receive the most highly regarded awards program in the industry.

About IC2® 7300 Series

The IC2® is a high-performance seating solution perfect for those long days at the desk. It's designed with ultra-breathable mesh and perfectly balanced with smooth adjustments. The IC2® is built to challenge the ergonomic and comfort standards with its stunning light-weight, elegant, and functional design.
